

IRWIN®

NEW

joran®

Masonry Drilling

MASONRY

Features and Benefits:

- 1 DURABILITY**
New Carbide Tip Design ensures 20% longer life vs. previous IRWIN® Masonry Drill Bits.
- 2 SPEED**
Single Flute Design ensures faster dust removal for increased drilling speed.
- 3 STRENGTH**
Chrome Vanadium Body with high carbon content allows more hardening and a stronger bit for maximum rupture strength.

NEW IRWIN® MASONRY DRILL BIT

for durable and fast drilling in all masonry materials
NOW 20% more life vs. Previous Version

IMPROVED END-USER COMMUNICATION

- 20% more life vs. Previous Version

- High drilling speed

- Suitable for all masonry materials
